THE DREAM by Graeme Edge

When the white eagle of the North is flying overhead,
And the browns, reds and golds of autumn lie in the gutter, dead.
Remember then, the summer birds with wings of fire flaming
Come to witness spring's new hope, born of leaves decaying.
Just as new life will come from death, love will come at leisure.
Love of love, love of life, and giving without measure
Gives in return a wondrous yearn of a promise almost seen.
Live hand-in-hand and together we'll stand on the threshold of a dream.

Mr. William Diedrick has been coaching at North Central for 23 years and has shown true spirit and dedication to his school. He came to NC in 1948 after two years of coaching at Reardan. He was our first wrestling coach, is presently our head coach in swimming, and has assisted in all other sports. At a luncheon at the Davenport hotel on Feb. 3, Mr. Diedrick received the Sports Writers and Broadcasters Award for his dedication to North Central and 25 years of excellent coaching.

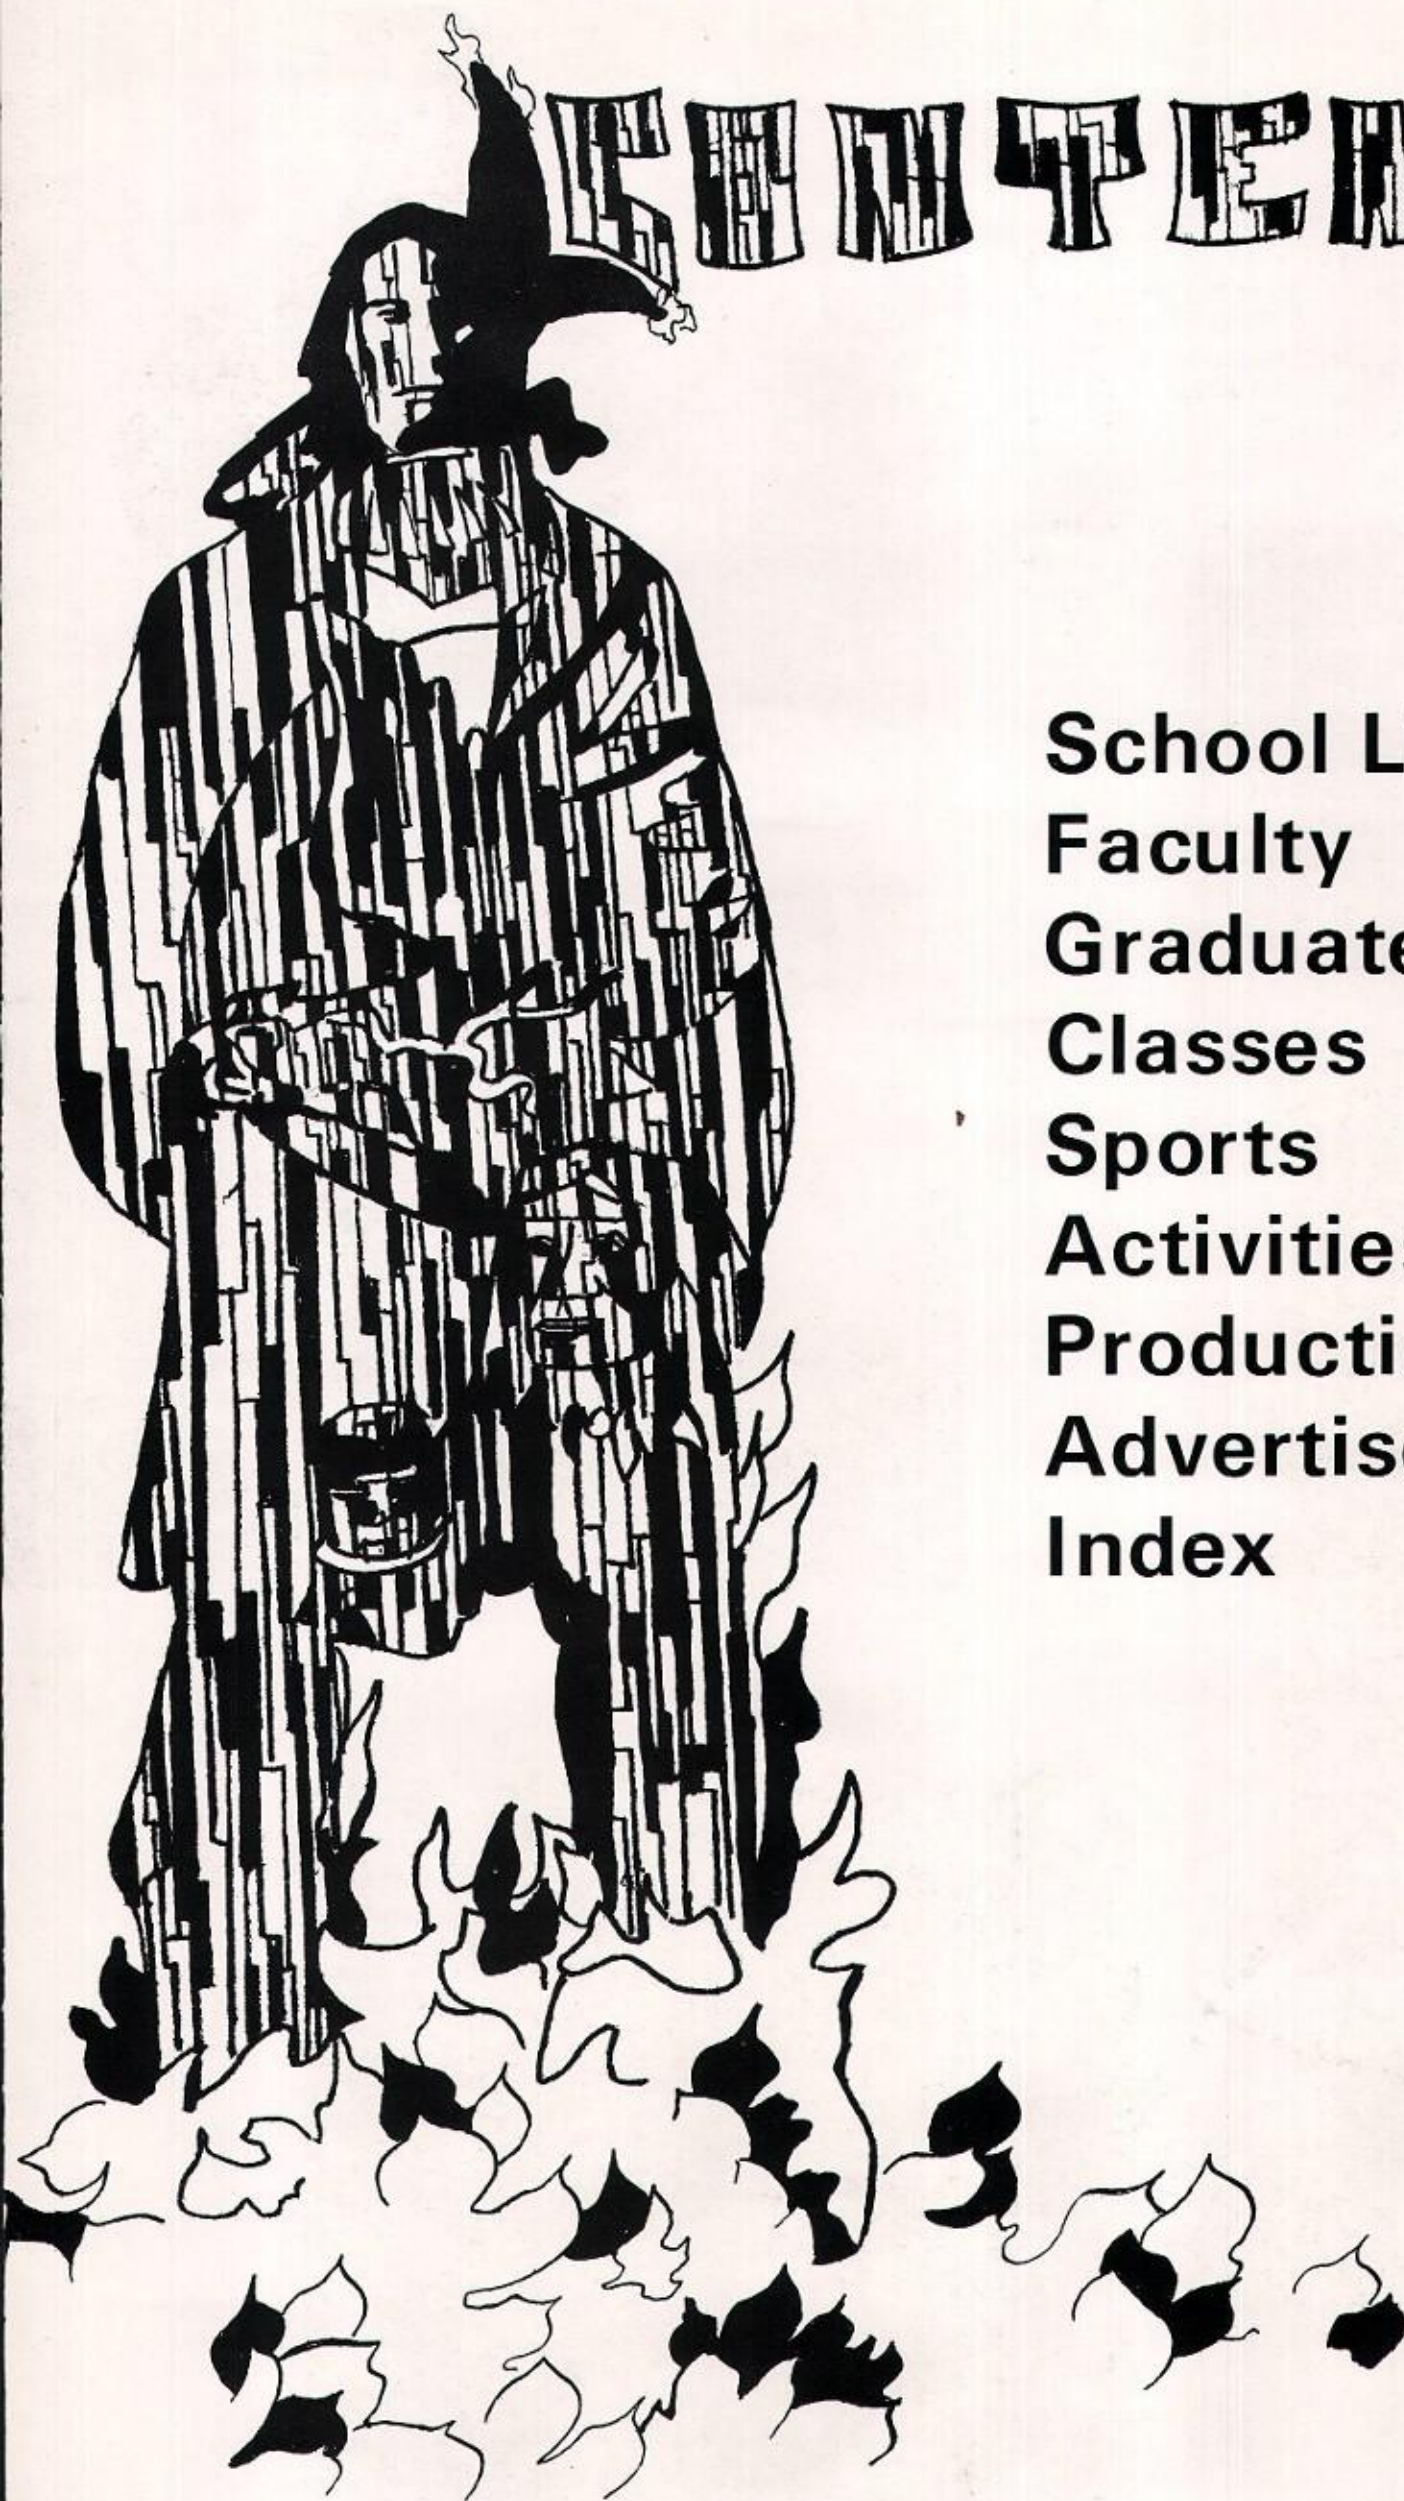

In the mid 1930's, Mr. Diedrick was known for his dogged determination to succeed at John Rogers High School and went on to win the Scarlet Arrow Award as the most inspirational player at Eastern Washington State College. He was nicknamed the "Mighty Mite" in his playing days because of his small size.

Mr. Diedrick is regarded with respect and admiration by all those who know him. Mr. Harold Thompson, Boys' P.E. Department Head, sums it up this way. "All I can say about Mr. Diedrick is that his blood is Red and Black." It is with pride that we dedicate the 1970-1971 Tamarack to Mr. William Diedrick.

There are all sorts of philosophies afloat today in American society, some valid and others as phony as three dollar bills! Some raise human dignity to new heights, others lower human life to less than animal level.

"Eat, drink, and be merry," some say. And many have tried that route and experienced sad disappointment and tragedy, coming to the realization of the futility of that one!

"And now abides faith, hope, love, but the greatest of these is love," is another prevalent one. Yet the interpretation of the meaning of 'love' is as confusing as anything in our society. To some it means merely lust. To others it means compassion. And there are all shades of understanding between these two extremes.

The young of our land cry out against the desecration of our country by pollution. Ecological and environmental studies captivate our attention. And yet, many of us do not recognize, nor care, that we contribute to the problem by our own carelessness and indifference. How many of us walked to school this year rather than drive for this very reason? You see, it isn't enough to criticize and show concern unless we are willing to be part of the solution and unless we can propose something better.

Many of you at school this year have been dedicated to another philosophy. "And you shall know the truth, and the truth shall make you free," these words came from the Christian era but have been used frequently since that time. Would anyone like to define 'truth'?

There comes a time in the life of every person when he must set priorities. Love, understanding, judgment, responsibility, loyalty, character, trust, courtesy, hate, prejudice, unfaithfulness, selfishness, lust, war, deceit—yes, all of these words may be found in a dictionary, and all of them may be found in the lives of persons. Just where are you placing your priorities? Just what philosophy of life are you adopting?

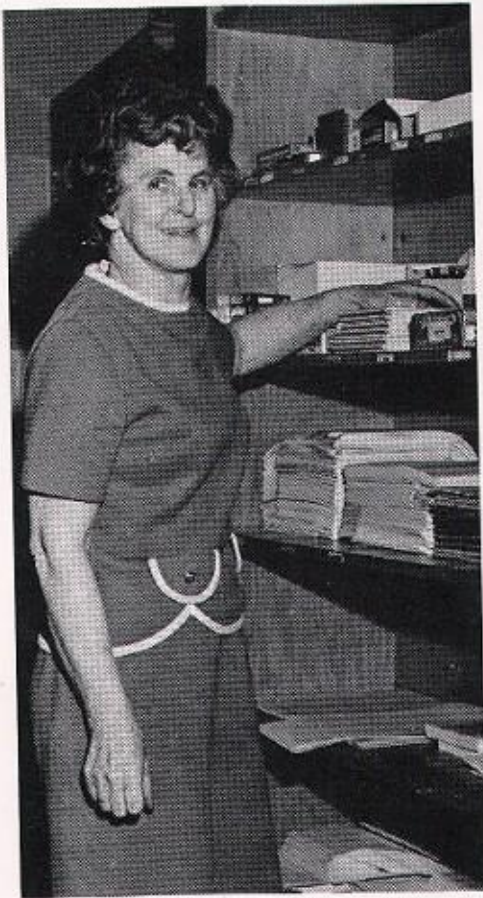

Oh, that as humans we might gain greater insight into interpersonal, interracial, and intersocial relationships! But first of all, we must begin to understand ourselves, developing our own attitudes toward the WHO, WHY, and WHAT of life!

New Start For NC-

N.C. Gridders warm up at the Shrine game.

North Central was chosen to play in the Shrine game against arch rival Lewis & Clark this year. Through the years N.C. has won four Shrine games. This year's game, however, was lost to L.C., who have now matched our wins.

By the addition of head Coach Art Bauer, N.C.'s football team has been much improved. Although the team was not quite used to the Bauer technique of playing, toward the end of the season

they began to improve both defensively and offensively. The coaches feel that with a year of experience behind them, the N.C. team will be in great shape next fall.

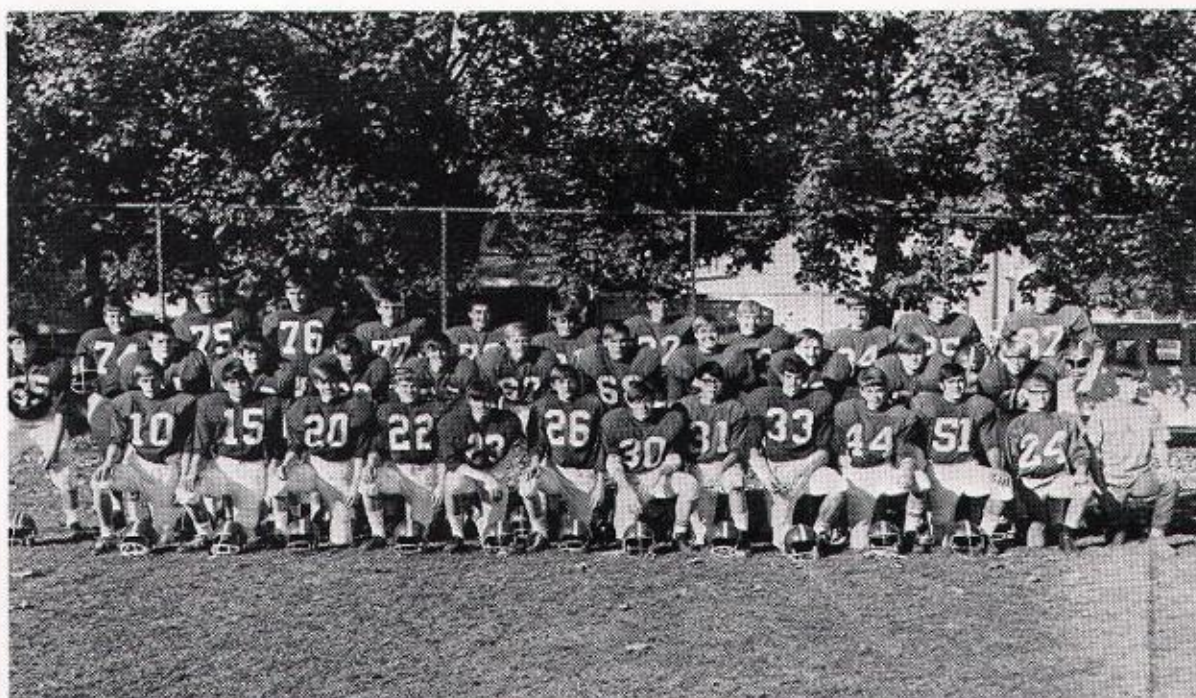

On the line at the N.C. vs. Ferris game.

The N.C. Gridders had a rough season this year with only one victory, 28 to 14 over Rogers. Injuries were high with a loss of four starters late in the season. Next year, thirteen lettermen will be returning to the team.

Coach Chalich and Coach Hutchins confer on game strategy.

B-Squad, Frosh Strive To Improve Skills

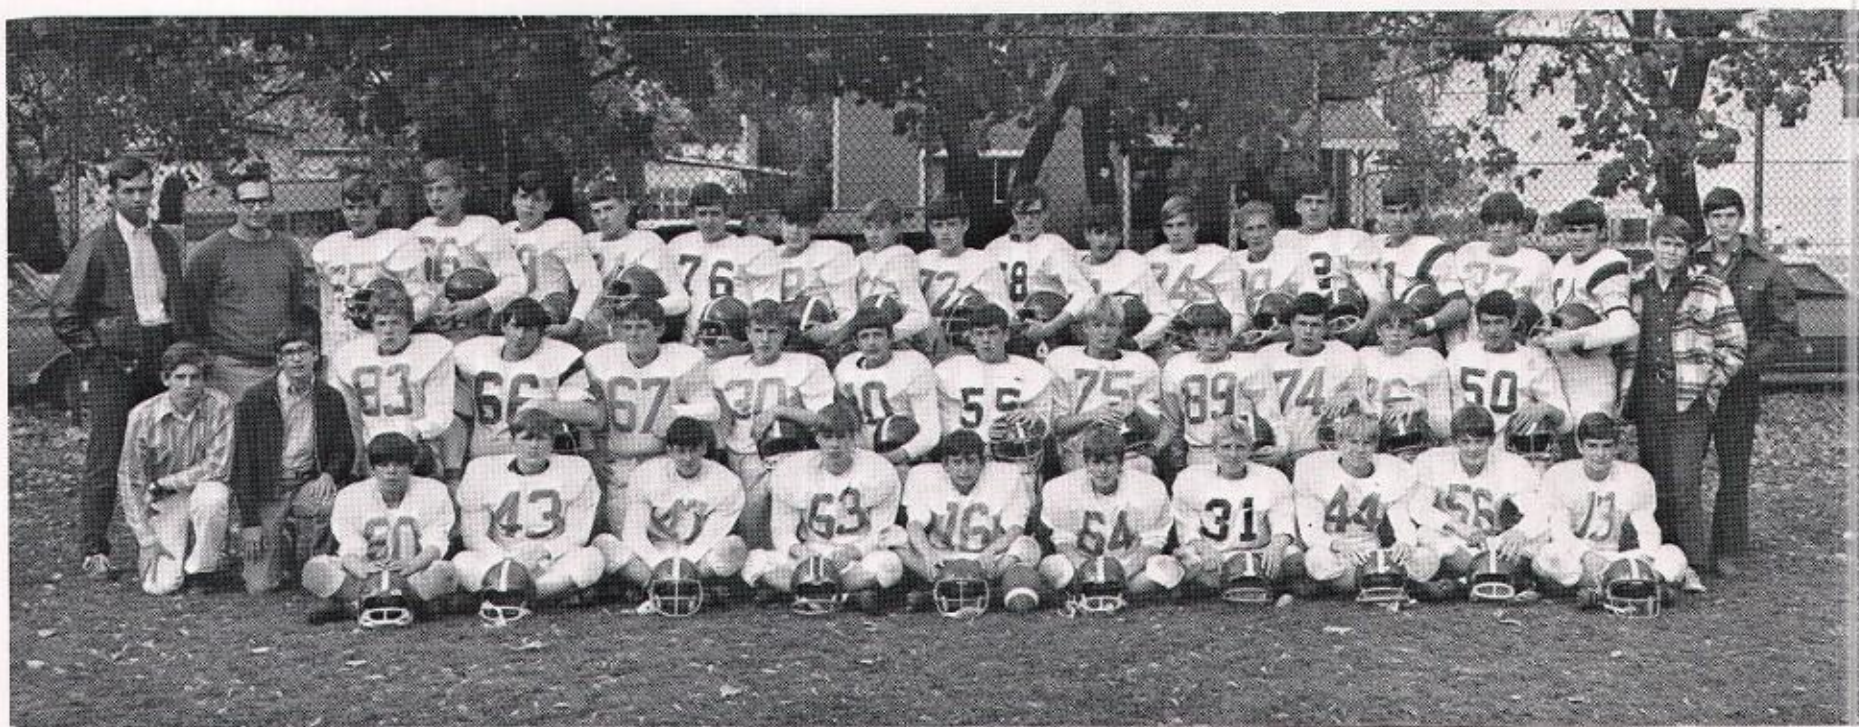

With B-Squad scores for the season at one win and eight losses, the team didn't have much success. However, the hard practice and will to win these players had, cannot go unnoticed. Coach Chalich expressed his goals in working with the B-Squad in this way: "B-Squad is just a building block for

varsity. The important thing is that the boys improve day by day. Nevertheless, winning is still just as important. Never play anything to lose; always be a winner."

Captain of the team this year was Bill Hayes. Gene Robison received the inspirational award.

Dedication Makes A Winner

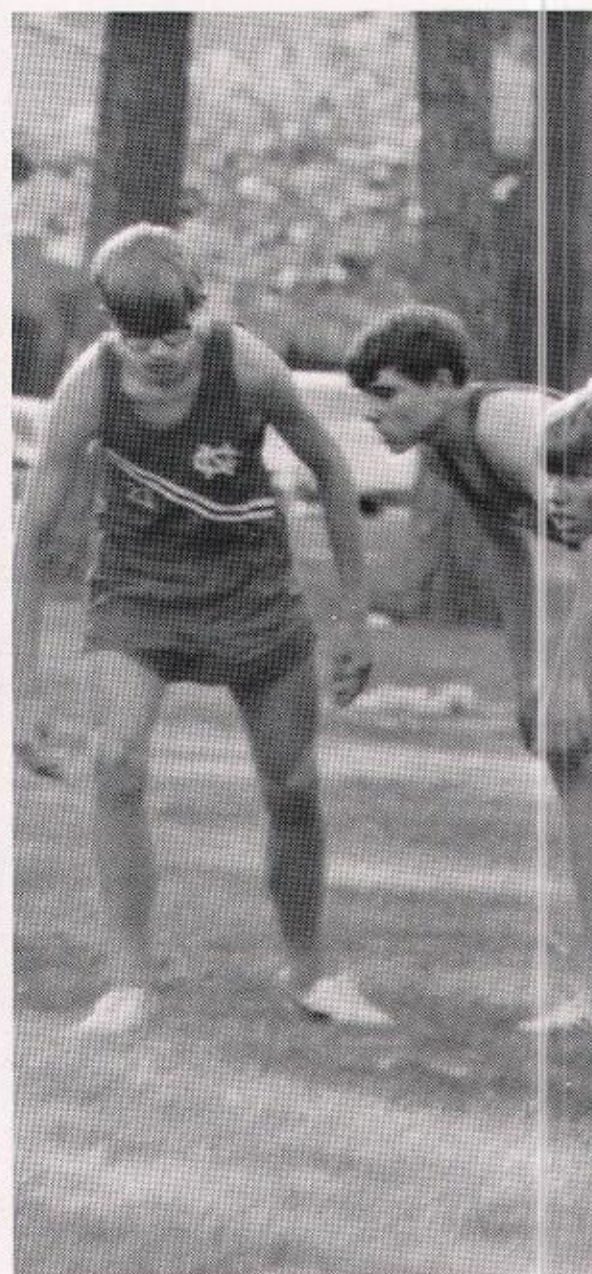

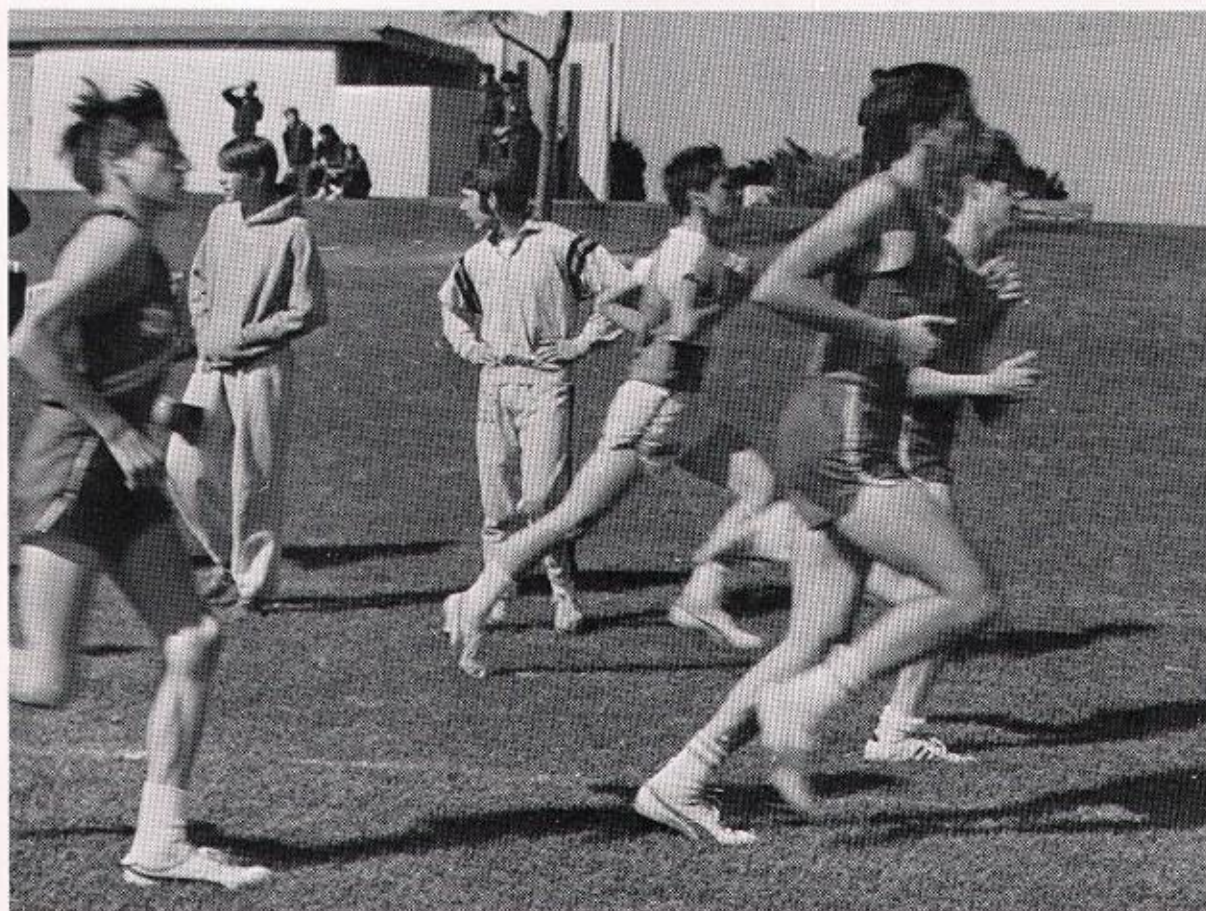

Dedication is the key to winning in cross country. Even an injury didn't keep this dedicated runner from contributing to his team's success. Each member of the team had the desire to be the best. Each strived to be a winner and nothing but a winner.

Dedication, inspiration, and experience have helped Len Long be the proud coach of the North Central Cross Country team. Their only loss of the season was to the third best team in the state. Twice, the freshmen and sophomores proved themselves to be the best in the Inland Empire. To top that, Senior, Bob Becker, and Sophomores, Kevin Blackwell and Ken Henry qualified for the state meet in Seattle. They finished in the middle third of the best cross country runners of Washington.

On a race day a runner finds out who he is. I don't feel I know a runner until I see him in a race.

—Len Long

After their loss to Shadle 49-46, the team met with some inexperience. There were a few highlights this season, with Dick Alderman and Curt Lind among the top ten scorers in the city. Curt Lind took over a starting position after an injury to a senior starter. The teams had great assistance from Bill Burger, a former two-year letterman from Gonzaga University. The players appreciated his help.
